<sup>1</sup>Applicants who are U.S. citizens or permanent residents that self-identified as White alone or in combination with other races or ethnicities.

Note: In 2013-2014, the methodology for acquiring race/ethnicity information was updated. Rather than one question asking an applicant's Hispanic origin and a second question asking the applicant's race, the Hispanic origin and race response options are now listed together under a single question about how applicants self-identify. Applicants could select multiple response options.
